

One task. One lead. One useful handover.

Try this with one real piece of work. A rough first step is enough.

01 / THE TASK

What needs to move forward?

02 / THE LEAD

Which mode does this work need?

☐ Builder

☐ Systems Thinker

☐ Artist

☐ Strategist

☐ Visionary

03 / THE TURN

When will it lead, and for how long?

04 / THE HANDOVER

What will be ready? What questions remain?

05 / THE NEXT MODE

Which mode needs a turn next, and what will it do?

Builder: make. Systems Thinker: organise. Artist: explore.
Strategist: choose. Visionary: set direction.
